

Unleash the power of print

4 - 6 December • Shenzhen

**LABELEXPO
SOUTH CHINA 2024**

www.labelexpo-southchina.com

4 - 6 December 2024
Shenzhen World Exhibition &
Convention Center, Shenzhen

Turn your print ambition into reality at **Labelexpo South China 2024**. Return to the vibrant city of Shenzhen located in Guangdong, the province home to the largest packaging and printing base in China.

- See live demonstrations of cutting-edge flexo, digital and hybrid narrow web presses alongside automated finishing lines
- Understand the opportunities in flexible packaging with a Masterclass and show floor demonstrations
- Visit the RFID/Smart Label zone to discover new business opportunities in this fast-growing sector
- Learn from leading industry specialists at the Package Printing Summit organized by the China Packaging Association running alongside Labelexpo South China

To grow your business as a label converter or industry supplier there is only one place to be in December: **Labelexpo South China 2024**.
